

Celebrity Tracker

You're trying to remember a Christmas Letter with a particular storyline involving a certain celebrity, but you can't remember the year in which it occurred. Thanks to the magic of my boring Christmas vacation, I've made it easier for you. Use the alphabetical list of celebrities in the document below to find out which Christmas Letters they are mentioned in.

Some celebrities are one-year acquaintances, while others have return appearances. Some are still well-known while others are only vaguely familiar. For some of the lesser-known celebrities, I have provided their "claim to fame". Below are some 100 famous and infamous personalities whose lives crossed ours.

The year of the Christmas Letter is in **red**.
